EDUCATION

Certificate

UCLA Extension

Full Stack Development | 2020

BA

University of Michigan

Ann Arbor, MI | 2006

TECH

- JavaScript
- React.js
- Node.js
- Express.js
- MySQL
- MongoDB
- Ruby / RoR
- Excited to learn new tech :)

INTERESTS

Painting, board games, camping + art.

PROFILE

Tenacious developer seeking a full stack role. Problem-solver with a comprehensive understanding of JavaScript with a mobile-first, pixel perfect approach. Thrives in a team oriented environment, where I can lend my curiosity and investigative nature to the group.

EXPERIENCE

TEACHING ASSISTANT, FULL STACK DEVELOPMENT

UCLA EXTENSION | VIRTUAL | 2020 - PRESENT

Empathetic instructional support for students learning complex concepts in an extremely fast-paced environment.

- Assists Head Instructor with student support through activities and assignments.
- Leads small groups of students through activities in class and during office hours.
- Builds trust and confidence through demonstration and active listening.

TUTOR, FULL STACK DEVELOPMENT

TRILOGY EDUCATION | 2020 - PRESENT

Supportive and knowledgeable guide for students learning development. Seeks to understand individual needs while adapting to different learning styles.

- Listens to students and identifies areas for additional instruction.
- Builds confidence in students abilities by pointing out their strengths.
- Ensures that students understand JavaScript and curriculum fundamentals.

FULL STACK FREELANCE DEVELOPER

SELF EMPLOYED | LOS ANGELES, CA | 2020-PRESENT

Mobile-first, pixel perfect Engineer focused on client satisfaction and user experience.

- Works with clients to understand their needs while advocating for the user.
- Recently deployed website, a revamped portfolio page for a print design client: www.sombergdesign.com

PREVIOUS CAREER NOTE: Engineering is my 2nd career. I previously worked in recruiting for 10 years, where I fell in love with tech. I honed my professional soft skills during those years. This info is on my LinkedIn:
